UNIVERSITY AIR CENTER TO HOLD OPEN HOUSE & OFFER “DISCOVERY FLIGHTS”

GAINESVILLE, Fla – Oct. 3, 2007 – University Air Center (UAC), the fixed base operator at Gainesville Regional Airport (GNV), invites the community to explore aviation at its annual open house on Saturday, Oct. 13 from 9 a.m. to 3 p.m.

Open house visitors will have the opportunity to tour UAC at no charge. UAC will have its Citation charter jets on display, a flight simulator set up and visitors will be able to meet with flight instructors to discuss easy plans to earn a pilots license. UAC will be offering a \$59 “discovery” flight; this is an opportunity to experience flying an airplane. The discovery flight entails 20 minutes of flight time with an instructor – see your house from the sky!

To reserve a specific time for a discovery flight during the open house, call Bill Pokorny, General Manager, at 335-4681 today. Visitors can take the General Aviation entrance from Waldo Road and follow the signs to UAC.

About University Air Center

University Air Center (UAC), known for more than 21 years as Gulf Atlantic Airways, is based at Gainesville Regional Airport (GNV). UAC offers a full range of aviation services, including fuel sales, aircraft maintenance, aircraft charters, air ambulance services, flight training, aircraft rentals, aircraft parking, hangar space and other ancillary ground support services. For more information, visit www.universityaircenter.com or contact UAC at (352) 335-4681.

About Gainesville Regional Airport

Gainesville Regional Airport (GNV) serves North Central Florida and the Heart of Florida through all facets of aviation: general aviation, commercial airlines, military and air cargo. Located in Gainesville, Florida, approximately 70 miles southwest of Jacksonville and just minutes away from the University of Florida, Gainesville Regional Airport provides a close, convenient and competitively priced “gateway” to the Heart of Florida. For more information, visit www.flygainesville.com or call (352) 373-0249.
